SECTION 1 - APPLICATION OF TARIFF

This tariff sets forth rates and rules applicable to the provision and resale of Business Local Exchange Telecommunications Services defined herein by the Company, hereinafter referred to as the "Company". Local Exchange Services are furnished for the use of end users in placing and/or receiving local telephone calls within the Local Service Area.

Services under this Tariff may be offered and billed under the name of the Teleport Communications America, LLC Group Operating Company serving the Customer's location, or under the name of a subsidiary or affiliate, including, but not limited to, AT&T Corp. and any AT&T affiliates authorized to provide AT&T services prior to November 17, 2005. Services may be offered singly or in bundles with services offered by Teleport Communications or their affiliates.

When services and facilities provided by the Company are used to obtain access to the regulated or unregulated services provided by another company or are used by another company as a part of the regulated or unregulated services offered by that Company, the regulations of the Company apply only to the use of the Company's services and facilities.

The rates and rules contained herein are subject to change pursuant to the rules and regulations of the Arizona Corporation Commission ("ACC").

Each service is offered independent of the others unless otherwise noted. Service is offered via the Company's facilities or in combination with resold exchange services, IntraLATA services or transmission facilities provided by other certificated carriers.

THE RATES CONTAINED HEREIN ARE THE MAXIMUM AMOUNT THAT THE COMPANY WILL CHARGE FOR EACH SERVICE WITHIN THE STATE OF ARIZONA. REFER TO THE PRICE LIST FOR A LIST OF THE COMPANY'S CURRENT RATE SCHEDULE.

Customers subscribing to both interstate and intrastate long distance service may be charged interstate fees in addition to the charges listed in this Tariff. See AT&T's Business Service Guide website located at <http://serviceguide.att.com/ABS/ext/TariffDetails.cfm> for an explanation of interstate fees.
